Mr. Harry Forrest, your work in the classroom and your many contributions to committee activities during your years of service to West have enriched our educational program.

You have shown your faith in the youth of America through your untiring efforts in promoting Girls' and Boys' State.

*Fred.  
Good luck in whatever  
you do. Hope you make  
good at C.V. It's been a  
lot of fun knowing you.*

*Harry  
Muller  
'58'  
'I hope'*

**In appreciation, we dedicate  
the 1956 Westerner to you . . .**

Mr. George Jennings, greater interest and increased skill in the fields of industrial arts and military training have been furthered by your work in these areas.

Innumerable West activities have been made more enjoyable due to the attractive programs printed under your willing direction.

*Many fine human qualities grow and develop in the students at West. Four outstanding qualities form the basis for this year's yearbook. These four are . . . friendship, which is evident in the faces and actions of classmates.*

*... sportsmanship, analogous to that found on athletic fields*

*... leadership, enriched by many clubs and organizations,  
and*

*... inspiration, which is given to the students by the faculty of West.*

# Friendship

Friendship is mirrored in happy laughter, groups of students talking, and smiling faces. A friend is one who can be relied upon, has understanding, and who is fun. Friendship is the symbol of happiness.

Guided.  
of luck, success.  
of experience to a  
the year with a new  
individual personality  
hope you will  
remember me  
with

Left to right: Chuck Beer, President; Doreen Bastron, Vice President; Mr. Einarsen, Sponsor; Wila Mikkelsen, Secretary; Harry Yanagihara, Treasurer.

To the class of '52

As we look back over the year we can recall many memorable events. We started our year with the Senior Class Play "The Curious Savage". Of course you remember our Senior Prom. On a Lull in a Dream in April then on May 14 at alumni night we realized that it was almost over. The climax to our senior year and our whole stay at West will come with the class day dinner and graduation.

It was an honor and a privilege to serve as your class president, and I'd like to wish every senior all the success in the world.

Sincerely

Chuck Beer, president

C.B.

Since 1886, West's first reunion, West has had the largest alumni association west of the Mississippi. Each year outstanding senior students are presented awards at the alumni meeting.

There are seven awards presented: the Newton C. Morris Award is given to the outstanding football player; the Mike Stath Memorial Award is an award to the outstanding basketball player; Howard Wagner Memorial Award is for the athlete with the highest scholastic record; the Harry Huffman Athletic Trophy is presented to the athlete who is outstanding in school service; the presentation for music is the Paul Whiteman Award; Charles McDonough Memorial Award is given to the student with the greatest hardships; and the War Memorial Awards honor the best citizens

To the class of '57,  
We the Junior Class, are more than proud of our activities and accomplishments. Officers of the class are very appreciative of the fine co-operation they have received from each of the classes. Our Junior Class Council, composed of twenty seven students who represent each guidance class, worked under the direction of Mrs. Sara Brown, sponsor, and other faculty assistants.

Many activities have taken place this year here are a few highlights. We organized the first Junior Prom, La Danse d'Amour. Its unusual theme and outstanding decorations made it distinctively new and exciting. We also enjoyed working with the Senior Class on the Junior-Senior Picnic in October held at University Park. To complete the year's activities we discussed introductory handbooks for new students or a revision of the "Round Up" book that was previously used at West. This book will contain all important information and traditions of our school.

We thank everyone for helping this year become one that will be remembered for a long time.

Respectfully

Eadie Spiller, president

Left to right: Phyllis Simmons, Historian, Carolyn Weishaup, Secretary, Mr. Riddell, Sponsor; Joan Shisler, Vice President, Joyce Gates, Treasurer, Sherrye Bryant, President (not shown).

To the class of '58,

The class of '58 started its Sophomore year here at West High School with a campaign assembly for the election of class officers. Shortly afterwards, the newly elected officers made plans for the class party "Autumn Leaves," which was held on November 5 in the boys gym. Sophomore officers from other schools were special guests.

Our main project in Sophomore Council has been to learn parliamentary procedure. In order to do this, we formed small groups under the supervision of Student Council members. Since it is the custom for officers of the succeeding year to be elected during the current session, we concluded our Sophomore year with a campaign assembly for officers of the school year '56-57.

All in all, this year has proven very eventful for the class of '58. My sincere thanks to all my fellow classmates who have helped me and given me the chance to be their class president.

Sincerely,

Sherrye Bryant, president

## Denver League Hands West Winless Season

West's Cowboys found this year's Denver Prep League to be one of the most annihilating in many years. Hopes were high during the preliminary training for a good football season as all the city teams showed strength on both the bench and in the starting lineup.

The Cowboys opened against North's Vikings who were predicted to win the Denver Prep Title. West's first game was one of its finest of the season.

North started the scoring, but missed the extra point. The scoreboard stood still until the Cowpokes came to life in the third quarter. Dick Geist, from his own 16-yard line, cut through North's defense and outran the Viking secondary to pay-dirt. Roger Bowman put West in the lead 7-6, by adding the extra point. When the final gun sounded, the scoreboard showed the Vikings victorious by only 6 points, 13-7.

The best game for West in the second round was played against South. The Cowboys held the Rebels, city co-champions, to a 19-0 finish.

Game by game, however, West's chances for a win grew dimmer. The Cowpokes fell winless beneath each of the overpowering city teams.

Dick Geist and Ron Rotliff, co-captains, were selected for the Rocky Mountain News all-city team.

## Girtin Not So Happy With '55 Season

I've been asked to review the '55 football season. If the score tells the story, then it's a sad one. I believe, however, that there is always more than the score in any game or season.

A good team has what I call a combination of the five S's — spirit, speed, "savvy," size, and skill. Let's see how West's Cowboys measured up in each category.

Spirit includes that inner desire to play, to win, and the will to do it. Since it is a drive from within, demonstration and coaching won't create it. During the current season there were sparks of this spirit, but they were erratic and soon burned out. Never did the spark last an entire game. The student body at West, particularly the pep groups, were always pushing us on. They gave us exceptionally good support when they could have logically done otherwise.

Our team was lacking in speed. Geist and Martin, our two speedsters, were hampered with injuries much of the time and couldn't operate at full steam. "Savvy" or football intelligence, which embraces a knowledge of the rudiments and fundamentals of football, was lacking.

As far as size goes, our boys were small, and let's face it — a good big man will beat out a good little man any day. Now for the last "S," skill — in blocking, tackling, ball handling and the like, well we had no one who was outstanding. Ron Ratliff was among the League leaders in punting, however.

I hope I've explained at least part of the story that the score doesn't tell. I'm not making excuses for a winless season, but we just didn't have the right combination for a winning team.

The coaches who assisted me did top-notch coaching all season; I am very grateful to them for their constant effort and encouragement. I hope the '56 season will be better for all of us at West.

## West Netters Finish Last In City

Tennis season started for the Cowboy netmen with a 6-0 loss to North. In the next two matches West's tennis players again were completely outclassed by a pair of strong teams, East and South. As the Cowpokes came up against Manual they rallied up enough skill to hold the Thunderbolts to a 3-3 tie.

Second round scores were repeats of the first with the exception of the Manual-West meet. Manual netmen outlasted the Cowboys to win by a 5-1 score.

Darrell Adams, Dick Bowlin, Cal Crowell, Clarence Haviland, and Roy Henry, all of whom are seniors, were the only experienced lettermen this season. Coach Weimar will have only three returning lettermen next season, Allen Dumm, Gene Thompson and Chuck Vanstrom.

The honor of being co-captains went to Cal Crowell and Clarence Haviland.

Crowell stretches to save a point.

## Golfers Capture Third Place In City

Coach Weimar had only two returning lettermen to start the 1955 golf season. Lettermen Fred Weishaupl and Gerald Chaunard, along with sophomore Gary Baxstrom, lead the rookie team to 6 wins in 16 matches which was good enough for third place.

Next year's golf team should make a better showing. Weishaupl will be the only loss due to graduation. Most of the other players who are sophomores will have had the much needed experience and training which was lacking this season.

Fred Weishaupl was elected by his teammates to be their captain.

## Fouts Sets Swim Records

This year's swimming team had two of the best swimmers in the state, Ken Ridgley and Gene Fouts. Ridgley placed second in the city and third in the state in the 200-yard free style. Fouts finished third in the city meet behind Ridgley.

Fouts broke two records at the Greeley-West meet, the 50-yard free style and the 100-yard free style. The Cowboys found the Greeley poolmen to be easy competition and slipped by them 68-48.

Coach Sheele said his boys did a terrific job in view of the fact that all were sophomores with the exception of Kippel, Fouts, and Ridgley who were juniors. All the boys improved tremendously as the season progressed. The swimming Cowboys show promise of outstanding performances next year.

## Distance Runners Place Eleventh In State

Cross Country is a newly organized sport in the Denver Public High Schools. All the Denver schools participated in the activity with the exception of North. Four years ago there were only 8 organized teams participating in the state meet; last year there were 26 teams. This shows the ever-increasing interest in this new sport.

West was faced with the two toughest cross-country teams in the history of the Denver League, East and South. Larry Wood, Fred Waltz, Ken Kipple and Al Stines were the driving force which sparked the sophomore flecked runners to a third place finish in the city and to the eleventh position in the state.

Ken Kipple and Al Stines were elected co-captains.

## Cowboys Handicapped By Lack Of Height

Preliminary warmups for West's hoopsters indicated a good season; they won 5 out of the 6 games. The first round of regular play began with the Cowboys facing North's Vikings, a rangy group which averaged 6'3" in the starting lineup. The speedy 'Pokes, by skillful maneuvering, held their opponents to a narrow margin win, 55-48.

A torrential rain of losses followed the Cowboys until the second South-West game when the Cowpokes won 47-46. The West victory didn't affect the standings, but it was a tonic for the downtrodden cowboys. "I've

never seen a bunch like this," Coach John Karamigios said after the game. "They hustle all the time, even when they are beaten badly — tonight it paid off. It's discouraging to lose every week. This really feels good. It makes the season a success."

The little Cowboys took a 2-1 lead with 1:34 of the game gone; then lost it within 12 seconds. It took nearly 30 minutes of slashing play to regain that one-point edge with 1:19 remaining in the game.

Bill Hart and Ron Ratliff were elected co-captains.

## Garcia State Champ; Team Fourth In State

City meet wrestling matches finished with West holding third position with a two win, two loss status. Nine grapplers qualified for the city championship. Three of the nine wrestlers took the championship in their weight division for a berth in the state tournament. Rutt, Franson, and Garcia captured first place in the city; Apadoca took second. North finished ahead of West in qualifying for the state meet. However, West completely outclassed all the Denver schools to gain fourth position in the state.

Don Rutt, 95-pounder, and Ed Apadoca, 138-pound division, lasted to the second round, but were eliminated as the competition grew keener. Larry Franson, 133 pounds, finished second in the state, losing to the champion by a decision. Julius Garcia had little trouble in taking the state championship in the 154-pound class.

Larry Franson and Julius Garcia were elected co-captains of the team.

## Forfeits Drop Cowboys To Third Position

Upsets and forfeitures marked the tightly played 1955 baseball season. Manual's Thunderbolts dumped North's Vikings 2-1 in the first game of the season. West beat North by the same score the following week. Both games were upsets as North was expected to win the title. West's second game found the Cowboys trimming East 7-4 which put the 'Pokes in a tie position for first place.

West lost its hopes for first position when Ron Maynard and Bob Beer were declared ineligible due to their playing in the YMCA Baseball Tournament for the Denver area. Two wins turned into two losses, which dropped the classy 'Pokes into last place.

Coach Adams, however, sparked his boys to triumph in the remaining games. The see-saw contest found West finishing the season with a 3-2 win over East, and a 9-2 win over Manual. A 3-5 record put the Cowboys in a tied position for third place.

Ron Rotliff, captain, was named on the Denver Post and Rocky Mountain News All-City Teams. Bob Radovich, Louie Atencio, and Jerry Hansen were on the News second team.

## Girls' Sports Provide Recreation

Action, recreation, and awards are the feature attractions of girls' sports. Any girl in West may join in the fun and excitement of friendly competition by taking part in team games, tournaments, and individual sports outside of school.

Whether you are scoring a goal in a fast game of speedball or climaxing that softball game with a thrilling home run, the enjoyment is complete.

Table tennis and badminton tournaments take on a slower pace; however, the pleasure and competitive spirit remain.

Sports activities outside of school are added attractions of the girls' athletic program. Skiing, skating, horseback riding, golf, bowling, and swimming are among the favorites.

Awards are given to those girls who have accumulated a designated number of points.

## Student Government Is The Democratic Way

It has been an exciting year for the students of West High School. Dances, parties, picnics, and movies have been some of the outstanding recreational affairs of the year, thanks to the enthusiastic work of our student government and the excellent leadership of Mr. Mansfield, the Student Council Sponsor.

Discussions within a guidance class form the basis of suggestions for improvement of the school. These suggestions are taken by the elected representatives to the class coun-

cils, where action is taken on them.

Thus, each student has the privilege to help plan school activities and to form school policies.

Meetings have been well attended, and there has been active and enthusiastic participation on the part of all representatives. This lively interest sparked each of the planned activities and promoted high standards of conduct. The result has been many enriching experiences for students at West High School.

Spur, which is the local honor society, is composed of students who have maintained at least a B average for two semesters or more.

Many worthwhile projects are performed by Spur members. Christmas season found them donating food to the needy families of the community. This food was distributed by the Southwest Denver Service Association.

Inductions for new members are held at the beginning of each semester. The induction ceremony explains the purposes of the organization. A reception follows each ceremony.

Not all activities are of such a serious nature. Spur's picnic at Washington Park was a real feast, with fried chicken heading the menu.

Eating was the main pastime at Spur's picnic.

Scholarship, service, leadership and good character are the requirements for membership in the National Honor Society. Members are selected by a vote of the faculty and of the members of the society.

Forty members were taken into the society at the induction last fall. This brought the total membership up to sixty-three, which is the largest the local society has ever been.

Joyce receives her ribbon at induction ceremonies.

Contacting West graduates who had received scholarships during the last five years was the main project of the society for the year. The purpose of this project was to let the various colleges and other donors of scholarships know how these awards were being used. It is hoped that through this enterprise West students will receive many more scholarships.

## Masqueraders Create Interest In Drama.

West's own drama club, the Masqueraders, presents a play each spring. Membership is obtained through trying out — that is, acting out a small part of the initiate's own choosing.

National Thespians are chosen after they participate in the various dramatic activities at West, including Senior Class Play and Drama Club Play. Membership is then based on a requisite number of points obtained through these activities.

**NATIONAL THESPIANS**—Tom Sittler, Dave Garcia, Nonie Smith, Chuck Beer, Tom Blake, Sharon Flinn, Hank Doliner and Janet Deslongchamps act out a scene from the Senior Class Play.

## Jr. Red Cross Serves School – Community

Junior Red Cross, which is a part of the humanitarian program of the International Red Cross, offers West students an opportunity to serve others, both in Denver and abroad. The activities and projects are closely correlated with school subjects and include work on an international correspondence album and an overseas school chest.

Each class elects one representative to serve on the J R C Council.

## Lariattes Seek Key To Happiness

Officers begin year of service with installation ceremony.

"The Golden Key to Happiness is Service" is the motto of the Lariattes, an all-girl organization which seeks to promote friendship among all girls at West.

Each girl has an opportunity to belong to Lariattes and serve her school through this club.

One girl from each guidance class is elected to the Executive Council which plans the activities. Major projects this year included the Big Sister-Little Sister Tea, a Christmas dance, and the Mother Honor Tea.

## Students Prepare For Future Teaching

The Future Teachers of America Club was organized to give students a chance to become familiar with the advantages and disadvantages of the teaching profession.

F.T.A. members gain practical experience in this field by assisting the faculty in various teaching situations.

One of the club's main projects is a follow-up study of former members.

## Jr. Optimists Strive Toward Improvement

The Junior Optimist Club is a service organization designed to help the boys develop a wholesome attitude and improve their personal lives.

Some of the activities include bicycle safety campaigns in the elementary schools, and supervision of the noon movies and the parking lot.

The West Denver Optimists sponsor this club which is one of the newer organizations at West.

## World Understanding Goal Of I.R. Club

West's International Relations Club was formed to promote better world understanding. Foreign speakers often highlight its meetings. Among its activities are the All-City and All-State International Relations Conferences at Denver University, Brotherhood Week Assembly, and a United Nations Day program at the City Auditorium. These events provide an opportunity for members to put their knowledge into practical use.

## Achievers Learn Business Operations

Students plan their own businesses before beginning production.

Junior Achievement was organized to acquaint students with some of the problems of business. After selecting a product to make and sell, each company elects a Board of Directors. Like a large business, it sells stock and pays wages to the workers. Every member helps in the production and sales of the item. Three or more products for each company are made and sold during the year. Each company is sponsored by a Denver business firm or a businessman of the community.

## Bowling Club Enjoys Friendly Competition

Anyone for bowling, skating, or chess? The Bowling Club, Roller Club, and Chess Club were organized to provide the students of West with an opportunity to enjoy these three sports.

Everyone, whether he is a beginner or highly skilled, enjoys the friendly competition these clubs provide.

Instruction is offered for anyone who desires it and learning is pleasant and challenging when the teacher is one of the group.

West's Band plays for all football games and pep rallies, presents a concert at each of the junior high schools in the West district, and takes part in the Veterans Day and Memorial Day parades. This year the band also took part in Band Day at C. U. and in the Music Week Concert.

The Dance Band has provided entertainment at P. T. A. meetings, at the Business Men's Dinner and for assemblies at West, D. U., Baker, Byers, and Lake. They also played at the Junior Red Cross Dance.

The Orchestra played at the Music Week Festival and presented Christmas assemblies at Byers Junior High and West. They also played at a Charity Tea at the Park Lane Hotel.

## Faculty Presents "Harvey"

Mr. Scheele makes a good Romeo

What did you have in mind?

For the first time in three years, the West High faculty presented the faculty play, "Harvey." Harvey, a large, invisible white rabbit, is seen consistently by Elwood P. Dowd, played by Mr. Dave Philips. The play also starred Lois Gill, Ann Brown, Glenn Scheele, James Aandahl, Lawrence Lynch, Florence Dunning, Evert Blomberg, June Read, Sara Brown, Marion Richards, and Robert Riddell. The play was directed by Mrs. Lois Johnson.

## Seniors Present "Curious Savage".

Get up, Janet! Get up!

Sharon and Dave take good care of "Teddy"

These are the curious savages

This year's Senior Play was a comedy, "The Curious Savage". Mrs. Savage, played by Sharon Flinn, was a wealthy heiress, who carried around a Teddy Bear loaded with money. Her two sons and one daughter, played by Dave Garcia, Tom Sittler, and Janet Deslongchamp, respectively, tried frantically to put her in a sanitarium. Mrs. Savage foiled their attempts by staying in the asylum on her own accord.

# *Charm*

*Charm captivates the interest and admiration of all. It is the combination of wholesomeness, poise, and sparkling personality. Reigning over dances, school and home, charm is ever present.*

# Homecoming

## D & R Roundup

This year's football season ended with the Homecoming Dance, the D and R Roundup. Many alumni once more came to pay their tributes to their Alma Mater and to dance to the music of Chuck Bennett and his orchestra. The D and R Roundup was sponsored for the first time by the D Club and Rustlers.

# Junior Prom

## La danse d amour

Streamers and hearts in three shades of pink decorated the gym for this year's Junior Prom, La Danse d Amour. Gene De Salle and his band furnished the music

*Laura Thompson and Rich Hill*

# Senior Prom Once Upon A Dream

*Lorraine Ellen and Jerry Hansen*

The last formal dance of the year honored the class of '56. The music of Joe Marcus and his orchestra, a wishing well, and colorful decorations made the occasion a dream come true

# *Inspiration*

*Inspiration is revealed in the early morning conferences with the faculty, the additional hours spent sponsoring clubs, a warm smile, and a sincere interest in every student's work. Inspiration, the skillful manner that encourages students to think for themselves, is the basis for high school education.*

WILFORD H. WOODY

M. A.

Achievements and progress of West High School are largely dependent upon the work of the administrators, headed by Mr. Woody. The administration has provided a broad, diversified curriculum for the many students at West. Close school-community relationships have developed due to business visitations, participation in the South Denver Civic Association projects, and the development of highly organized educational activities in the West area.

Mr. Woody's leadership has been recognized nationally. This year he was selected to serve as one of the seven members of the Curriculum Planning and Development Committee for the National Association of Secondary School Principals.

He was also honored by being chosen to serve on the Advisory Committee of the National Merit Scholarship Corporation which is sponsored by the Ford Foundation. This Committee aids in the search for students of high ability.
